## 25<sup>th</sup> Anniversary Planning

To date we have:

Dedicated the US flag to our classroom at the fall General Membership meeting

Received a proclamation from the Governor to be presented at the March General Membership Meeting

Requested a proclamation or congratulatory message from Dr. Paino, president UMW

Requested to have an article written by the Free Lance Star (still in progress)

Interviewed Active charter member, Peggy Johnson, to be included in slide show

Assembled a celebratory slide show, thanks to the efforts of Joe Alfred!

Version 1 will be running during the social time at the Holiday Luncheon.

Version 2, narrated by Joe, will be the entertainment at the Spring Luncheon

Arranged to move our Holiday Luncheon to Gari Melcher's Pavilion as a special locale

Purchased a large cake to celebrate our anniversary

Plans for the Spring:

Present the proclamation at the General membership Meeting

Special plans for the luncheon

Joe's slide show

Special song by members (Are you game?)

25 Years Ago social activity (Michelle E will develop)

Please be thinking about anything else we should do. We will know better after our luncheon exactly how much money we have remaining to spend. We had talked about purchasing lanyard pins or something to give to each individual member to commemorate this anniversary.

We should also review the list of charter members to see if we can get any of them to attend the Spring luncheon.

Other ideas????
