

Membership Committee Minutes

Thursday, November 15, 2018

The Membership Committee convened with limited attendance due to inclement weather. We decided to proceed since 6 members were in attendance.

Old Business

Committee members made renewal phone calls in September to encourage members to take advantage of the reduced renewal rate. It was determined that these calls take minimal effort and seem to be affective.

Everyone supports the continuation of the current plan for General Membership meetings consisting a one hour session followed by the meeting.

New Business

Committee input was requested regarding our long range planning process. Suggestions will be shared with the planning committee.

Need to Update Our Committee's Support Position Form (attached) We opted to combine some positions. Committee members please review to see if you find this clear and accurate.

Miscellaneous

The Membership Roster continues to be maintained in multiple locations monitored by Alan Zirkle, Bryn Pavek and Wayne Emery.

There is a general interest in adding enhancements to the newsletter. This will be discussed at the next meeting.

New rack cards are being designed. We will have prototypes available at our next meeting, ahead of our proposed deadline of April.

Thank you to Carolyn Sulima for managing our name tags for years. Mike Deabler will now be taking on that task.

Our Holiday Luncheon is quickly approaching. (Our Holiday Luncheon will be December 11, with cash bar open at 11 am.) Eugenia Jones is taking the reservations and will do the table decorations. Carolyn Sulima has been working with the caterer. Committee members who would like to assist in setting up should plan to arrive at 10:30 am. There will be minimal set up.

Susanne Lazanov has distributed several get well greetings to members in recent months.

Our next Membership Committee meeting will be February 28, 2019, from 10-12 noon.
